GRAFFITI REMOVER TOWELS

30 - Count Tub

PRODUCT NUMBER: 5063

I. GENERAL DESCRIPTION

Description: This industrial strength towel removes the most stubborn graffiti such as spray paint, ink, crayon, lipstick and pencil from most hard surfaces.

Benefits: The use of this product eliminates the need to sandblast or grind marks off.

Application: Use on road signs, walls, doors, public phones and buildings, etc. This product is harmless to most surfaces, tile, aluminum, steel, brass, glass, chrome, vinyls, enamels, porcelain, marble, ceramics, formica and more. Test for compatibility on synthetic surfaces susceptible to solvent damage, such as rubber, asphalt tile, rubber based paints and plastics.

Directions: To begin dispensing, pull up on tab to open resealable lid. Remove canister cover by lifting top edge away from canister. From center of roll, pull up towel corner, thread through "star" in the lid cover about 1 inch. Replace cover on canister, assuring a secure fit and seal. Pull out first towel and snap off at a 45° angle. Remaining towels will follow for next use. Close resealable lid to maintain moisture and integrity of towels. Open and unfold towel to full size, 10.5 x 12.25 inches and begin to wipe on marked surface.

Limitations: Please refer to the Material Safety Data Sheets for specific information on material hazards, etc.
