		1153 - Danger/Peligro Red		

I. GENERAL DESCRIPTION

Description: This product line provides a mainstream package to round out our Marking Products offering. The Flagging Tape offers both regular and fluorescent colors in a 2 mil & 4 mil PVC product respectively. The Barricade Tape offers a 2 & 3 mil polyethylene tape with bilingual message of Caution or Danger in Yellow and Red respectively. Our Marking Flags provide regular and fluorescent colors with a 4" x 5" PVC flag on a 21" wire shaft.

Benefits: Quality materials create this durable and economical product line. Safety marking will prevent unnecessary costs due to accidents.

Applications: Use to mark for safety, boundaries, hazards, landscaping, trees, excavation areas, grading, water, electric, phone, sewer, gas, etc.

Directions: Tape products can be tied, stapled, or wrapped to objects providing adequate distance from hazard. Marking Flags are meant to be placed into the ground signifying hazards below or near by.

Packaging:
